which, of necessity, must be cut or removed to gain access to work areas located behind them.

The Association is responsible for the maintenance, repair and replacement of all exterior walls of the building, support columns and the concrete slabs. The unit owner shall be responsible for day-to-day cleaning and care, but all painting and maintenance of the exterior surfaces and structures of the building shall be the responsibility of the Association and shall be a common expense. The maintenance, repair, replacement and insurance of approved lanai floor covering shall be the responsibility of the unit owner.

6.3.2. INTERIOR DECORATING — Each unit owner is responsible for all decorating within his own unit, including painting, wallpapering, paneling, floor covering, draperies, window shades, curtain, lamps and other light fixtures, and other furnishings and interior decorating.

6.3.3. SOUND TRANSMISSION. All units shall always have the floors covered with wall-to-wall carpeting installed over padding, except carpeting is not required in entry foyer, kitchens, bathrooms, grand salon or laundry rooms, subject to the exceptions set forth below. A unit owner who desires to install in place of carpeting any hard-surface floor covering (e.g., marble, slate, ceramic tile, parquet) shall also install a sound absorbent underlayment beneath it such as padding or a resilient sound absorbing underlayment of fiber board, cork or other acceptable material in accordance with the rules and regulations promulgated by the Association; as amended from time to time. The unit owner shall obtain

written approval of the Board prior to any such installation. If the installation is made without such prior written approval, the Board may, in addition to exercising all the other remedies provided in this Declaration, require the offending unit owner to cover all such hard-surface flooring with carpeting, or require the removal of such hard-surface flooring at the expense of the offending unit owner. Each unit owner, by acceptance of a deed or other conveyance of their unit, hereby acknowledges and agrees that sound and impact noise transmission in a building such as within the Condominium is very difficult to control, and that noises from adjoining or nearby units and/or mechanical equipment can be heard in another unit. The Developer does not make any representation or warranty as to the level of sound or impact noise transmission between and among units and the other portion of the Condominium property, and each unit owner hereby waives and expressly releases, to the extent not prohibited by applicable law as to the date of this Declaration, any such warranty and claims for loss or damages resulting from sound or impact noise transmission.

6.3.4. WINDOW COVERINGS — The covering and appearance of the windows and doors, whether by draperies, shades, reflective film or other items, whether installed within or outside of the unit, visible from the exterior of the unit, shall be subject to the Rules and Regulations of the Association.

6.3.5. MODIFICATIONS AND ALTERATIONS OR NEGLECT — If a unit owner makes any modifications, installations or additions to his unit or the common elements or neglects to maintain, repair and replace as required by this Section 6, the unit owner, and his successors in title, shall be financially responsible for:

6.3.5.1. Maintenance, repair and replacement of the modifications, installations or additions;

6.3.5.2. The costs of repairing any damage to the common

elements or other units resulting from the existence of such modifications, installations or additions;
and

6.3.6. USE OF LICENSED AND INSURED CONTRACTORS —

Whenever a unit owner contracts for maintenance, repair, replacement, alteration, addition or improvement of any portion of the unit or common elements, whether with or without Association approval, such owner shall be deemed to have warranted to the Association and its members that his contractor(s) are properly licensed and fully insured, and that the owner will be financially responsible for any resulting damage to persons or property not paid by the contractor's insurance.

6.4. SERVICE AND MAINTENANCE CONTRACTS — If there shall become available to the Association:

6.4.1. A program of contract maintenance for items which are located within the units and otherwise the responsibility of the unit owner, such as water heaters and/or air-conditioning compressors and/or air handlers and related equipment serving individual units; or

6.4.2. certain contract services to be delivered within the units for items otherwise the responsibility of the unit owner, such as pest control or cable television: the Board may enter into any such contracts which the Board determines are to the benefit of the owners generally. The expenses of such contractual undertakings to the Association shall be a common expense. All maintenance, repairs and replacements not covered by the contracts shall remain the responsibility of the unit owner. Because the expenses are common expenses, an election by a unit owner not to take advantage of the services or maintenance provided by such contracts shall not

excuse the owner from paying his share of the cost.

6.5. OWNER ALTERATION OF COMMON ELEMENTS RESTRICTED

— No unit owner may make any alterations, add to, or remove any part of the portions of the improvements that are to be maintained by the Association without the prior written approval of the Board of Directors. The Board has the authority to approve, disapprove, or require modifications to the proposed work. The Board's decision will be determinative of the matter. The owner must obtain all necessary approvals and permits from applicable government entities. The Association may require approval from engineers or other professionals as a prerequisite. The entire expense must be borne by the owner, including any subsequent maintenance and restoration. No owner will do any work that would jeopardize the safety or soundness of the building, increase insurance requirements or premiums or impair any easements. If approved by the Board, two units owned by the same owner that are adjacent horizontally, may be connected by doorways through common element walls. Such Board approved work is declared not to constitute material alterations or substantial additions to the common elements.

7. COMMON ELEMENTS

7.1. SHARE OF — The common elements will be owned by the unit owners in equal undivided shares of $1/64^{\text{th}}$ part of the whole per unit.

7.2. USE — Each unit owner and the Association will be entitled to use the common elements in accordance with the purposes for which the elements are intended; however, no such use may hinder or encroach upon the lawful rights of other unit owners.

7.3. MATERIAL ALTERATIONS AND ADDITIONS — Except for changes made by an owner with Association approval as provided in Section 6.5. above, or by the Board of Directors alone for the integrity of the condominium property, material alteration of or substantial additions to the common elements including the purchase acquisition, sale, conveyance, or

mortgaging of such property may be effectuated only by vote of 67% of the voting interests of the Association at a meeting called for that purpose. The Board of Directors, without any vote of the membership, is authorized to lease or grant easements or licenses for the use of the common elements to unit owners or other persons, if in the judgment of the Board, the use will benefit the members of the Association, even where the lease, easement, or license would result in a material alteration or substantial addition to the common elements or Association property. The Association may charge for such use.

8. FISCAL MANAGEMENT — The fiscal management of the Condominium including budget, fiscal year, charges, assessments, and collection of assessments shall be as set forth herein and in the By-laws (Exhibit C).

S. 718.111(11)(b) the word "building" does not include floor coverings, wall coverings, ceiling coverings nor electrical fixtures, appliances, air conditioning or heating equipment, water heaters or built-in cabinets located within a unit. Such insurance shall afford the following protection:

The Association shall bear the cost of bonding.

The Association shall obtain and maintain adequate Directors and officers liability insurance utilizing the broad form of policy coverage for all Directors and officers and, if available, committee members of the Association.

10.2.8. OPTIONAL COVERAGE — The Association may purchase and carry such other insurance coverage as the Board of Directors may determine from time to time to be in the best interests of the Association and unit owners.

10.3. DESCRIPTION OF COVERAGE — A detailed summary of the coverage included in the master policies shall be available for inspection by unit owners upon request.

10.4. WAIVER OF SUBROGATION — If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its rights to subrogation as to any claim against unit owners, the Association, or their respective servants, agents or guests.
