5. CONDOMINIUM UNITS, BOUNDARIES, AND APPURTENANCES — Each unit and its appurtenances constitute a separate parcel of real property that may be owned in

fee simple. The unit may be conveyed, transferred, and encumbered like any other parcel of real property, independently of all other parts of the Condominium Property, subject only to the provisions of the condominium documents and applicable laws.

5.1. BOUNDARIES — Each unit will consist of a discrete area of land plus the improvements constructed within each respective discrete area of land. Each such discrete area of land is designated as a distinct numbered plot on the Condominium Plot Plan. The boundaries may exist now or may be created by construction, settlement, or movement of the buildings, or by permissible repairs, reconstruction, or alterations. Each unit lies within the following boundaries:

5.1.1. HORIZONTAL BOUNDARIES — The upper and lower boundaries of each unit shall be determined in the same manner and under the same laws which establish the upper and lower boundaries and rights of an owner of a parcel of real property in fee simple.

5.1.2. PERIMETER BOUNDARIES — The perimetrical boundaries of each unit shall be the vertical projections of the two-dimensional and horizontal boundary lines of the unit as depicted on the Condominium Plot Plan. 5.3.1. COMMON ELEMENTS AND COMMON SURPLUS — An undivided share of ownership of the common elements and common surplus.

5.4.4. PUBLIC SERVICES — Access to both the Condominium Property and the units for lawfully performed emergency, regulatory, law enforcement, and other public services.

5.5. PERMITTED IMPROVEMENTS. The following improvements shall be permitted to be constructed within and upon each unit:

5.5.1. BY DEVELOPER. The Developer shall construct within each unit a 1 or 2 story dwelling which shall constitute a complete, integrated, architectural and structural residence.

5.5.2. BY UNIT OWNER. In the event any of the units are conveyed by the Developer to unit owners without the aforesaid dwelling having been constructed therein, those unit owners or their successors may add the same at any time thereafter, provided construction of all such improvements shall be performed by reputable contractors in accordance with plans and specifications prepared by licensed architects, which shall be subject to the prior written approval of the majority of the members of the Board of Directors. The Board of Directors shall either grant such approval or deny the same based upon its decision as to whether the improvements shall be aesthetically pleasing and consistent with the design of dwellings previously constructed within units of the Condominium.

5.5.3. AREA AT THE REAR OF THE DWELLING. Each unit shall contain an area to the rear of the dwelling within which may be constructed a pool and/or spa. Each unit owner may construct a pool and/or spa within their unit, and such construction must comply with the rules and regulations pertaining to same as promulgated by the Association. All pools and/or in-ground spas must be contained within a screened enclosure, and there shall be no impervious roofs atop such screened enclosures. All pools must be in-ground in nature and must be of concrete construction. Portable spas shall be permitted. Notwithstanding the foregoing, all pools and/or spas shall require approval of the Board, or a committee designated by the Board and headed by an officer of the Association, prior to construction, so as to maintain the character and aesthetic and architectural qualities of the Condominium. The unit owner shall submit plans and specifications as required by the Board. The Board or a Board-designated committee shall review such plans and issue a written statement either approving such plans and specifications or disapproving same together with an explanation for such disapproval. The Developer shall be exempt from obtaining any approvals under this paragraph. The unit owner is solely responsible for maintaining and insuring all portions and aspects of the pool and/or spa, with all related decking and equipment, as said items are contained within the boundaries of the unit.

The only permitted improvements within the boundaries of the unit at the rear of the dwelling are a pool and/or a spa and related decking. The foregoing sentence may not be amended without the prior written consent of the Developer for as long as the Developer owns any unit in the Condominium or any portion of the property contained within Tarpon Bay.

If the boundaries of a unit contain any grass or landscaping area at the rear of the dwelling which is not contained within a screened pool enclosure, the Association shall be solely responsible for maintaining such grass and landscaping and the costs of which shall be common

expenses, it being the Developer's intention to ensure uniformity in the maintenance of grass and landscaping within the Condominium. All landscaping contained within a screened pool enclosure shall be the sole responsibility of the unit owner.

6. MAINTENANCE; LIMITATIONS UPON ALTERATIONS AND IMPROVEMENTS —

6.1 COMMON ELEMENTS. Except as otherwise provided in this Declaration, the Association shall manage, maintain, repair and replace, as part of the Common Expenses, all of the Common Elements as defined herein, including, but not limited to, the following: (a) all drainage and stormwater management systems, driveways, private streets and adjacent drainage; (b) all water and wastewater lines and piping serving a unit which are not contained within the physical boundaries of the unit; and (c) all landscaping, lawn and grass areas and sprinkler systems within the Common Elements. No unit owner shall be required to maintain any portion of the Common Elements except as specifically provided herein.

6.2 UNITS. The responsibility for maintenance, repair and replacement within the units shall be shared by the Association and the unit owners as follows:

6.2.1. BY THE ASSOCIATION. The Association shall be responsible for maintaining, repairing and replacing the following items, and the cost of the maintenance thereof shall constitute Common Expenses: (a) all landscaping, sprinkling systems, lawn and grass areas within a unit (except as may be contained within a pool and/or spa enclosure contained within a unit, which shall be the responsibility of the unit owner), fences, and also all water and wastewater lines located within or below the foundation; (b) the entire dwelling, including, without limitation, exterior walls, party walls, roofs and foundations; provided, however, that the Association shall not be responsible for maintaining that portion of the

dwelling bounded by the unfinished surfaces of the perimeter walls, floors and ceilings (hereinafter referred to as "Living Space"); and (c) the load-bearing walls within the Living Space except for the finished surfaces thereof.

6.2.2. BY THE UNIT OWNER. Each unit owner shall maintain, repair and replace everything within the confines of the owner's unit, including the dwelling, which is not to be maintained by the Association pursuant to Section 6.2.1, including, but not limited to: (a) all exterior doors, windows and screens of the dwelling, which surfaces shall be maintained in such manner as to preserve a uniform appearance among the dwellings in the Condominium; (b) interior paint, finish, covering, wallpaper and decoration of all walls, floors and ceilings; (c) all built-in shelves, cabinets, counters, storage areas and closets; (d) any and all appliances and mechanical, ventilating, heating and air conditioning equipment contained within the unit; (e) all bathroom fixtures, equipment and apparatuses; (f) all electrical, plumbing, telephone and television fixtures, apparatuses, equipment, outlets, switches, wires, pipes and conduits above the lowest horizontal boundary of the unit, and any and all electric lines between the unit and its individual service panel or meter; (g) all interior doors, walls, partitions, and room dividers; (h) all furniture, furnishings and personal property contained within the respective unit; and (i) all other maintenance or repair of or replacements involving a unit as contemplated and authorized hereunder.

6.3. OTHER UNIT OWNER RESPONSIBILITIES —

6.3.1. LANAIS, GARAGES — Where a limited common element consists of a lanai or garage, the unit owner who has the right of exclusive use of the area shall be responsible for the day-to-day cleaning and care of the walls, floor and ceiling bounding said area, if any; and all fixed glass and sliding glass doors in portions of the entrance way to said area, if any;

and the wiring, electrical outlet(s) and fixture(s) thereon, if any, and the replacement of light bulbs. The Association is responsible for the maintenance, repair and replacement of all exterior walls of the building, support columns and the concrete slabs of such area. The unit owner shall be responsible for day-to-day cleaning and care of such areas. The maintenance, repair, replacement and insurance of approved lanai floor covering shall be the responsibility of the unit owner.

6.3.2. INTERIOR DECORATING AND FLOORING — Each unit owner is responsible for all decorating within his own unit, including painting, wallpapering, paneling, floor covering, draperies, window shades, curtain, lamps and other light fixtures, and other furnishings and interior decorating.

6.3.3. WINDOW COVERINGS — The covering and appearance of the windows and doors, whether by draperies, shades, reflective film or other items, whether installed within or outside of the unit, visible from the exterior of the unit, shall be subject to the Rules and Regulations of the Association.

6.3.4. MODIFICATIONS AND ALTERATIONS OR NEGLECT — If a unit owner makes any modifications, installations or additions to his unit or the common elements or neglects to maintain, repair and replace as required by this Section 6, the unit owner, and his successors in title, shall be financially responsible for:

6.3.5.1. Maintenance, repair and replacement of the modifications, installations or additions;

6.3.5.2. The costs of repairing any damage to the common elements or other units resulting from the existence of such modifications, installations or additions; and

6.3.5.3. The costs of removing and replacing or reinstalling

such modifications if their removal by the Association becomes necessary in order to maintain, repair, replace, or protect other parts of the Condominium Property for which the Association is responsible.

6.3.5. USE OF LICENSED AND INSURED CONTRACTORS —

Whenever a unit owner contracts for maintenance, repair, replacement, alteration, addition or improvement of any portion of the unit or common elements, whether with or without Association approval, such owner shall be deemed to have warranted to the Association and its members that his contractor(s) are properly licensed and fully insured, and that the owner will be financially responsible for any resulting damage to persons or property not paid by the contractor's insurance.

6.4. SERVICE AND MAINTENANCE CONTRACTS — If there shall become available to the Association:

6.4.1. A program of contract maintenance for items which are located within the units and otherwise the responsibility of the unit owner, such as water heaters and/or air-conditioning compressors and/or air handlers and related equipment serving individual units; or

6.4.2. certain contract services to be delivered within the units for items otherwise the responsibility of the unit owner, such as pest control or cable television: the Board may enter into any such contracts which the Board determines are to the benefit of the owners generally. The expenses of such contractual undertakings to the Association shall be a common expense. All maintenance, repairs and replacements not covered by the contracts shall remain the responsibility of the unit owner. Because the expenses are common expenses, an election by a unit owner not to take advantage of the services or maintenance provided by such contracts shall not excuse the owner from paying his share of the cost.

6.5. OWNER ALTERATION OF COMMON ELEMENTS RESTRICTED

— No unit owner may make any alterations, add to, or remove any part of the portions of the improvements that are to be maintained by the Association without the prior written approval of the Board of Directors. The Board has the authority to approve, disapprove, or require modifications to the proposed work. The Board's decision will be determinative of the matter. The owner must obtain all necessary approvals and permits from applicable government entities. The Association may require approval from engineers or other professionals as a prerequisite. The entire expense must be borne by the owner, including any subsequent maintenance and restoration. No owner will do any work that would jeopardize the safety or soundness of the building, increase insurance requirements or premiums or impair any easements. If approved by the Board, two units owned by the same owner that are adjacent horizontally, may be connected by doorways through common element walls. Such Board approved work is declared not to constitute material alterations or substantial additions to the common elements.

7. COMMON ELEMENTS

7.1. SHARE OF — The common elements will be owned by the unit owners in equal undivided shares of $1/34^{\text{th}}$ part of the whole per unit.

7.2. USE — Each unit owner and the Association will be entitled to use the common elements in accordance with the purposes for which the elements are intended; however, no such use may hinder or encroach upon the lawful rights of other unit owners.

7.3. MATERIAL ALTERATIONS AND ADDITIONS — Except for changes made by an owner with Association approval as provided in Section 6.5. above, or by the Board of Directors alone for the integrity of the condominium property, material alteration of or substantial additions to the common elements including the purchase acquisition, sale, conveyance, or mortgaging of such property may be effectuated only by vote of 67% of the voting interests of the

Association at a meeting called for that purpose. The Board of Directors, without any vote of the membership, is authorized to lease or grant easements or licenses for the use of the common elements to unit owners or other persons, if in the judgment of the Board, the use will benefit the members of the Association, even where the lease, easement, or license would result in a material alteration or substantial addition to the common elements or Association property. The Association may charge for such use.

8. FISCAL MANAGEMENT — The fiscal management of the Condominium including budget, fiscal year, charges, assessments, and collection of assessments shall be as set forth herein and in the By-laws (Exhibit C).

9. ADMINISTRATION — The administration of the Condominium shall be by the Board of Directors and its powers and duties shall be as set forth herein and in the Articles of Incorporation and the By-Laws.

10. INSURANCE — In order to adequately protect the unit owners, the Association, and all parts of the Condominium Property and Association property that are required to be insured by the Association, insurance shall be carried and kept in force at all times in accordance with the following provisions:

10.1. DUTY AND AUTHORITY TO OBTAIN — The Board of Directors shall use its best efforts to obtain and maintain adequate insurance. In all insurance purchased by the Association, the name of the insured shall be the Association and the unit owners and their mortgagees (without naming them), as their interests shall appear and shall provide for the issuance of certificates of insurance and mortgagee endorsements to any or all of the holders of institutional first mortgages. In the event that the Tarpon Bay Community Association, Inc. requests the Association to name it as an additional insured as its interests may appear, the Association shall do

so.

10.2. BASIC INSURANCE — The Board will procure insurance covering the buildings and improvements as well as all insurable Association property, in an amount determined annually by the Board of Directors. Pursuant to F. S. 718.111(11)(b) the word "building" does not include floor coverings, wall coverings, ceiling coverings nor electrical fixtures, appliances, air conditioning or heating equipment, water heaters or built-in cabinets located within a unit. Such insurance shall afford the following protection:

10.2.1. PROPERTY — The policy must include replacement cost coverage for loss or damage by fire, extended coverage (including windstorm), vandalism and malicious mischief, and other hazards covered by the standard "All Risk" property contract.

10.2.2. FLOOD — The policy may include up to the replacement cost for the buildings and insurable improvements, as available.

10.2.3. LIABILITY — The policy must include premises and operations liability endorsements for bodily injury and property damage in such limits of protection and with such coverage as required by the Board of Directors of the Association, with cross liability endorsements to cover liabilities of the unit owners as a group to a unit owner.

10.2.4. AUTOMOBILE — The policy must include automobile liability for bodily injury and property damage for all owned and non-owned motor vehicles used in Association business in such limits of protection and with such coverage as may be required by the Board of Directors of the Association.

10.2.5. WORKERS' COMPENSATION — The Association shall maintain worker's compensation insurance to meet the requirements of law.

10.2.6. INSURANCE OR FIDELITY BONDING — The Association

shall obtain and maintain adequate insurance or fidelity bonding for all person who control or disburse funds of the Association. The insurance policy or fidelity bond must cover the maximum funds that will be in the custody of the Association or its management agent at any one time. The term “persons who control or disburse funds of the Association” includes, but is not limited to, those individuals authorized to sign checks and the president, secretary, and treasurer of the Association. The Association shall bear the cost of bonding.

10.2.7. DIRECTORS AND OFFICERS LIABILITY INSURANCE —

The Association shall obtain and maintain adequate Directors and officers liability insurance utilizing the broad form of policy coverage for all Directors and officers and, if available, committee members of the Association.

10.2.8. OPTIONAL COVERAGE — The Association may purchase and carry such other insurance coverage as the Board of Directors may determine from time to time to be in the best interests of the Association and unit owners.

10.3. DESCRIPTION OF COVERAGE — A detailed summary of the coverage included in the master policies shall be available for inspection by unit owners upon request.

10.4. WAIVER OF SUBROGATION — If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its rights to subrogation as to any claim against unit owners, the Association, or their respective servants, agents or guests.

10.5. SHARES OF INSURANCE PROCEEDS — All proceeds of insurance policies purchased by the Association shall be payable to the Association. The duty of the Association shall be to receive such proceeds and hold and disburse them for the purposes stated herein in the following shares:

10.5.1. COMMON ELEMENTS — Proceeds on account of damage to common elements shall be held in as many undivided shares as there are units, the shares of each unit owner being the same as his share in the common elements.

10.5.2. UNITS — Proceeds on account of damage to units shall be held in as many undivided shares as there are damaged units, the share of each owner being in proportion to the cost of restoring the damage suffered by each such unit.

10.5.3. MORTGAGEES — If a mortgagee endorsement has been issued as to a unit, the shares of the mortgagee and the unit owner shall be as their interests may appear. In no event shall any mortgagee have the right to demand application of insurance proceeds to any mortgage or mortgages which it may hold against units except to the extent that insurance proceeds exceed the actual costs of repair or restoration of the damaged improvements, and no mortgagee shall have any right to participate in determining whether improvements will be restored after casualty. The Association shall pay all policy deductible amounts on Association policies.

10.6. DISTRIBUTION OF INSURANCE PROCEEDS — Proceeds of insurance policies received by the Association shall be distributed for the benefit of the unit owners in the following manner:

10.6.1. COST OF RECONSTRUCTION OR REPAIR — If the damage for which the proceeds are paid is to be repaired or reconstructed by the Association, the proceeds shall first be paid to defray the costs thereof. Any proceeds remaining after defraying costs shall be retained by to the Association.

10.6.2. FAILURE TO RECONSTRUCT OR REPAIR — If it is determined in the manner elsewhere provided that the damage for which the proceeds are paid shall not be reconstructed or repaired, the proceeds after expenses shall be distributed to the beneficial

owners. The remittances to unit owners and their mortgagees shall be payable jointly to them. This is a covenant for the benefit of mortgagees and may be enforced by them.

10.7. ASSOCIATION AS AGENT — The Association is hereby irrevocably appointed agent for each unit owner to adjust all claims arising under insurance policies purchased by the Association.

11. RECONSTRUCTION OR REPAIR AFTER CASUALTY — If any part of the Condominium Property is damaged by casualty, whether and how it shall be reconstructed or repaired shall be determined as follows:

11.1. DAMAGE TO UNITS — Where loss or damage is only to those parts of a unit for which the responsibility of maintenance and repair is that of the unit owner, any Association insurance proceeds on account of the damage, less the deductible, shall be distributed to such contractors, suppliers and personnel for work done, materials supplied or services required for reconstruction or repair. Payments shall be in such amounts and at such times as the unit owners may direct. The owners of damaged units shall be responsible for reconstruction and repair and shall bear the cost thereof, if any, in excess of the insurance proceeds.

11.2. DAMAGE TO COMMON ELEMENTS — LESS THAN “VERY SUBSTANTIAL” — Where loss or damage occurs to the common elements, but the loss is less than “very substantial”, as hereinafter defined, it shall be mandatory for the Association to repair, restore or rebuild the damage caused by the loss, and the following procedures shall apply:

11.2.1. ESTIMATES — The Board of Directors of the Association shall promptly obtain reliable and detailed estimates of the cost of reconstruction and repair, and shall negotiate and contract for the work.

11.2.2. INSURANCE INSUFFICIENT — If the net proceeds of

insurance plus available reserves are insufficient to pay for the cost of reconstruction and repair of the common elements, the Association shall promptly, upon determination of the deficiency, levy a special assessment against all unit owners. Such special assessments need not be approved by the unit owners. The special assessments shall be added to the proceeds available for reconstruction and repair of the property.

11.2.3. “VERY SUBSTANTIAL” DAMAGE — As used in this Declaration, the term “very substantial” damage shall mean loss or damage whereby 3/4ths or more of the total units are rendered uninhabitable. Should such “very substantial” damage occur, then:

11.2.3.1. OWNERS' MEETING — A meeting of the Association shall be called by the Board of Directors to be held within a reasonable time after the casualty. A determination by the Board of Directors as to what is a reasonable time shall be conclusive. The purpose of the meeting shall be to determine the wishes of the membership with reference to reconstruction or termination of the Condominium, subject to the following:

11.2.3.1.1. INSURANCE SUFFICIENT — If the insurance proceeds and reserves available for reconstruction and repair are sufficient to cover the cost thereof, so that no special assessment is required, then the Condominium Property shall be reconstructed or repaired unless the then applicable zoning or other regulatory laws will not allow reconstruction of the same number and general type of units, in which case the Condominium shall be terminated pursuant to Section 16.2.

11.2.3.1.2. INSURANCE INSUFFICIENT — If the insurance proceeds and reserves available for reconstruction and repair are not sufficient to cover the cost thereof so that a special assessment will be required, then unless at least 67% of the voting interests of the Association vote in favor of such special assessment and against termination

of the Condominium, it shall be terminated pursuant to Section 16.2. If 67% of the voting interests of the Association approve the special assessment, the Association, through its Board, shall levy such assessment and shall proceed to negotiate and contract for such reconstruction and repairs. The special assessment shall be added to the proceeds of insurance and reserves available for reconstruction and repair of the property.

11.2.4. DISPUTES — If any dispute shall arise as to whether "very substantial" damage has occurred, a determination by the Board of Directors shall be binding upon all unit owners.

11.3. APPLICATION OF INSURANCE PROCEEDS — It shall be presumed that the first monies disbursed for reconstruction and repair shall be from the insurance proceeds and they shall first be applied to reconstruction of the common elements and Association property and then to the units; if there is a balance in the funds held by the Association after the payment of all costs of reconstruction and repair, such balance shall be retained by the Association. However, if special assessments were made pursuant to Section 11.2.3.1.2. hereof, then all or a part of the remaining money shall be returned to the unit owners paying said assessments pro-rata, according to the amount each paid, up to the full amount each paid, and then to the Association.

11.4. EQUITABLE RELIEF — In the event of substantial damage to the Condominium Property, and if the property is not reconstructed or repaired within a reasonable period of time, any unit owner may petition a court for equitable relief, which may include a termination of the Condominium and a partition. For the purposes of this provision, it shall be conclusively presumed that reconstruction or repair has occurred within a reasonable period of time if substantial work is commenced within such time following the damage or destruction as is determined by the Board of Directors to be reasonable and the work proceeds without intentional

and unwarranted delay to completion.

11.5. PLANS AND SPECIFICATIONS — Any reconstruction or repairs must be substantially in accordance with the plans and specifications for the original buildings, or in lieu thereof, according to plans and specifications approved by the Board of Directors and by the owners of 67% of the voting interests of the Association.

12. USE RESTRICTIONS — The use of the property of the Condominium shall be in accordance with the Rules and Regulations attached hereto and incorporated herein as Exhibit "D" and the following provisions:

12.1. LAWFUL USE — All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair upon Condominium Property shall be the same as the responsibility for the repair and maintenance of the property as expressed earlier in this Declaration.

12.2. RULES AND REGULATIONS — The Rules and Regulations attached hereto as Exhibit "D" and made a part hereof by reference concerning the use of the Condominium Property including the units may be amended from time to time by the Board of Directors. Copies of the regulations and amendments shall be furnished by the Association to all unit owners. No new or amended regulation may be enforced prior to distribution to the owners. Changes in the Rules and Regulations must be recorded in the Public Records of Collier County.

12.3. USE AND OCCUPANCY OF THE UNITS — is restricted to one family and their guests per unit only. Occupancy by guests in the absence of the unit owner is limited to two times per calendar year for maximum periods of 14 days. These use restrictions shall not be construed in such a manner as to prohibit a unit owner from maintaining his personal professional

library, keeping his personal business or professional records or accounts or handling his personal, business or professional telephone calls or correspondence in and from his unit. Such uses are expressly declared customarily incident to the principal residential use. All guests must be registered with the Association upon arrival and unregistered guests may be denied use of recreational facilities and amenities.

12.4. ACCESS TO UNITS — The Association has an irrevocable right of access to the units during reasonable hours when necessary for the purpose of maintenance, repair and replacement of the common elements or of any portion of a unit to be maintained by the Association pursuant to this Declaration or for making emergency repairs which are necessary to prevent damage to the common elements or to another unit or units. The right of access to a unit shall be exercised after reasonable notice to the unit owners, unless such notice is not possible or practical under the circumstances, and with due respect for the occupants' rights to privacy and freedom from unreasonable annoyance, with reasonable precautions to protect the personal property within the unit. The Association requires and shall retain a pass-key to all units. No unit owner shall install or alter any lock that prevents access while the unit is unoccupied without providing the Association with a key.

12.5. PARKING — Each unit shall always have the exclusive use of its garage.

12.6. PETS — TENANTS AND GUESTS — Pets shall be as allowed and regulated in the Rules and Regulations (Exhibit "D"). However, tenants and guests shall not be permitted to have pets.

12.7. NUISANCES PROHIBITED — No person shall engage in any practice, exhibit any behavior nor permit any condition to exist that will constitute a nuisance or become a reasonable source of annoyance or disturbance to any occupant of the Condominium.

13. LEASE, CONVEYANCE, DISPOSITION — The purpose and object of this Section is to maintain a quiet, tranquil, non-transient and single-family oriented atmosphere with the residents living in compatible coexistence with other financially responsible persons who are of like-mind and acceptable both in character and comporment. This objective is considered to be both important and justified because of the necessity of sharing facilities and because of the large personal financial investment of each owner. Therefore, the lease, conveyance, disposal and financing of the units by owners (subject to the exceptions provided in Section 18.1) shall be subject to the following provisions:

13.1. ASSOCIATION APPROVAL REQUIRED – Except for Developer sales no owner may sell, lease, give or otherwise transfer ownership of a unit or any interest therein in any manner without the prior written approval of the Association. The approval shall be a written instrument in recordable form (except for leases) which shall include, without limitation, the nature of the transfer (sale, lease, etc.), the parties to the transaction (sellers, purchasers, etc.), the unit number, the name of the Condominium and the Official Record Book (O. R. Book) and Page numbers in which this Declaration was originally recorded. For all unit transfers of title other than from the Developer, the approval must be recorded simultaneously in the Collier County, Florida Public Records with the Deed or other instrument transferring title to the unit.

13.1.1. DEVISE OR INHERITANCE — If any unit owner shall acquire title by devise or inheritance or in any other manner not heretofore considered, the continuance of his ownership shall be subject to the approval of the Association. Such owner shall give the Association notice of the acquisition of his title together with such additional information concerning the unit owner as the Association may reasonably require together with a copy of the instrument evidencing the owner's title. If such notice is not given, the Association at any time after

receiving knowledge of such transfer, may approve or disapprove the transfer of ownership.

13.1.2. LEASES — Approvals of leases need not be recorded. Only entire units may be leased. All leases must provide, and if they do not, shall be deemed to provide the agreement of the lessee(s) to abide by all of the Covenants of the Condominium and Community Association documents and that a violation of the documents is a material breach of the lease and is grounds for damages, termination and eviction and that the lessee and the owner agree that the Association may proceed directly against such lessee(s) and that the lessee(s) shall be responsible for the Association's costs and expenses, including attorney's fees, at all trial and appellate levels. If such costs and fees are not immediately paid by the lessee(s), the unit owner shall pay them and such funds shall be secured as a charge. Each unit owner irrevocably appoints the Association as owner's agent authorized to bring actions in owner's name and at owner's expense including injunction, damages, termination and eviction. The Rules and Regulations must be provided to the lessee(s) by or on the behalf of the unit owner at or before the commencement of the lease term. The minimum leasing period is 30 consecutive days and the maximum lease period is one year.

13.1.3. MULTIPLE OWNERS — Consistent with Section 13 above, de facto time sharing of units is not permitted and approval will not be given for the sale of a unit or an interest in a unit to multiple persons such as (e.g. siblings or business associates), who may intend that they and their families would split occupancy of the unit into different time periods during the year;

13.2. APPROVAL PROCEDURE — The approval of the Association shall be obtained as follows:

13.2.1. WRITTEN NOTICE — Not later than 15 days before the transfer of ownership occurs, or the first day of occupancy under a lease, legal written notice shall be given

the Association by the owner of his intention to sell or transfer his interest in any fashion. The notice shall include the name and address of the proposed acquirer and a correct and complete copy of the proposed documents to be executed to effectuate the transaction. The Association may require such other and further information as it deems reasonably necessary and may impose a transfer fee not to exceed \$100.00 or as permitted by law from time to time.

13.2.2. ASSOCIATION'S OPTIONS — The Association must, within 15 days after receipt of all the information required above, either approve, disapprove for cause, or, upon the written demand of the owner, furnish an alternate purchaser it approves or the Association may itself elect to purchase, and the owner must sell to such alternate or to the Association upon the same terms set forth in the proposal given the Association or the owner may withdraw his proposed sale. In exercising its power of disapproval the Association must act in a manner that is neither arbitrary nor unlawfully discriminatory and withhold approval only for a reason or reasons rationally related to the protection, preservation and proper operation of the Condominium and the purposes as set forth at the beginning of this Section 13. If the Association fails or refuses within the allotted time to notify the owner of either approval or disapproval in writing, or if it fails to provide an alternate purchaser or make an election to purchase the unit itself when required to do so, then the Association shall conclusively be presumed to have approved the transaction, and the Association shall, upon demand, provide a recordable certificate of approval;

13.2.3. CLOSING DATE — The sale shall be closed within 60 days after an alternate purchaser has been furnished or the Association has elected to purchase;

13.2.4. NOTICE OF DISAPPROVAL — If the Association disapproves the proposed transaction (subject to the qualifications contained in Section 13.2.2.) notice of disapproval shall be promptly sent in writing to the owner or interest holder, and the transaction

shall not be made. The Association need not approve a proposed lease until such time as all unpaid assessments and all court costs and attorneys fees (if any) incurred by the Association and due and owing for the unit at the time approval is sought have been paid. Other appropriate grounds for disapproval are as follows:

1. The unit owner has a history of leasing his unit without obtaining approval, or leasing to troublesome lessees and/or refusing to control or accept responsibility for the occupancy of his unit;
2. The real estate company or rental agent handling the leasing transaction on behalf of the unit owner has a history of screening lessee applicants inadequately, recommending undesirable lessees or entering into leases without prior Association approval;
3. The application on its face indicates that the person seeking approval intends to conduct himself in a manner inconsistent with the covenants and restrictions applicable to the Condominium and the Tarpon Bay Community.
4. The prospective lessee has been convicted of a felony involving violence to persons or property, a felony involving sale or possession of a controlled substance, or a felony demonstrating dishonesty or moral turpitude;
5. The prospective lessee has a history of conduct which evidences disregard for the rights and property of others;
6. The prospective lessee evidences a strong possibility of financial irresponsibility;
7. The prospective lessee, during previous occupancy in this Condominium or elsewhere, has evidenced an attitude of disregard for the Association rules.

13.3. JUDICIAL SALES — are exempt from this Section.

13.4. UNAPPROVED TRANSACTIONS — Any transaction which is not approved pursuant to the terms of this Declaration shall be void unless subsequently approved by the Association.

14. COMPLIANCE AND DEFAULT — Each unit owner, each tenant and other invitee shall be governed by, and shall comply with the provisions of, the Condominium Act as amended from time to time, this Declaration, including its exhibits, the Association Articles of Incorporation and the Association By-laws.

14.1. REMEDIES — Failure to comply shall be grounds for relief, which relief may include, but shall not be limited to, an action to recover damages or injunctive relief or both. Actions may be maintained by the Association or by any unit owner.

14.2. COSTS AND FEES — In any such proceeding, including appeals, the prevailing party shall be entitled to recover the costs of the proceeding and reasonable attorney fees.

14.3. OWNER INQUIRIES — When a unit owner files a written inquiry by certified mail with the Board of Directors, the Board shall respond in writing to the unit owner within 30 days of the receipt of the inquiry. The Board's response shall either give a substantive response, notify the inquirer that a legal opinion has been requested, or notify the inquirer that advice has been requested from the Bureau of Condominiums. If the Board requests advice from the Bureau of Condominiums, the Board shall, within 10 days of receipt of the advice, provide in writing a substantive response to the inquirer. If a legal opinion is requested, the Board shall, within 60 days of the receipt of the inquiry, provide in writing a substantive response to the inquirer. The failure to act as above set forth precludes the Association from recovering attorney's fees and costs in any subsequent litigation, administrative proceedings, or arbitration arising out of the inquiry. If unresolved, a dispute as defined in *F.S. 718.1255(1)* must be arbitrated in mandatory non-binding

arbitration proceedings prior to commencing litigation. The Board of Directors may adopt reasonable rules and regulations governing the frequency and manner of responding to unit owner inquiries, including a limit of one unit owner inquiry in any 30 day period.

14.4. NO WAIVER OF RIGHTS — The failure of the Association or any owner to enforce any covenant, restriction or other provision of the Condominium Documents shall not constitute a waiver of the right to do so thereafter as to subsequent or other instances.

15. AMENDMENTS — Amendments to any of the Condominium documents shall be in accordance with the following:

15.1. REQUIREMENTS — An Amendment may be proposed either by the Board of Directors or by 25% of the voting interests of the Association, and may be considered at any meeting of the owners, regular or special, of which due notice has been given according to the By-Laws, which notice includes notice of the substance of the proposed amendment. Passage shall be evidenced by a certificate executed in recordable form signed by the President or Vice President of the Association that it has been enacted by the affirmative vote of the required percentage of the voting interests (which vote may include later written approval of voters not present), and the separate written joinder of mortgagees where required and shall include the recording data identifying the location of the Declaration as originally recorded and which shall become effective when recorded in the public records. In addition, any amendment that would affect the surface water management system, including the water management portions of the common elements, if any, must have the prior approval of South Florida Water Management District.

15.2. CORRECTIVE AMENDMENT — Whenever it shall appear that there is a defect, error or omission in any of the Condominium documents or in order to comply with applicable laws or requirements of government entities, the amendment may be adopted by the

Board of Directors alone;

15.3. REGULAR AMENDMENTS — Amendments may be enacted by a favorable vote of the owners of sixty-seven percent (67%) of the voting interests in the Association;

15.4. DEVELOPER AMENDMENTS — Until relinquishment of Developer control of the Association (Turnover) and except as otherwise provided by law in F.S. 718.110(2), the Developer specifically reserves the right, without the joinder of any person, to make such amendments to the Declaration and its exhibits or to the plan of development, as may be required by any lender, governmental authority or as may be, in its judgment, necessary or desirable. This paragraph shall take precedence over any other provision of the Declaration or its exhibits.

15.5. MORTGAGEE CONSENT — Amendments materially affecting the rights or interests of mortgagees must have the consent of the holders of institutional first mortgages of record representing 51% of the votes of units subject to such mortgages who have requested the Association to notify them on any proposed action specified in this Section. Such consent shall not be unreasonably withheld. Implied consent shall be assumed when such holder fails to respond to any written request for consent within 30 days after the mortgage holder receives proper notice of the proposal provided the notice was delivered certified or registered mail, with a "Return Receipt" requested. In the event that mortgagee consent is provided other than by properly recorded joinder, such consent shall be evidenced by affidavit of the Association and recorded in the Public Records of Collier County, Florida. A change to any of the following shall be considered as material:

- any change in the proportion or percentage by which the owner of the unit shares the common expenses and owns the common surplus.
- reallocation of interests or use rights in the common elements;

- redefinition of any unit boundaries;
- convertibility of units into common elements or vice versa;
- expansion or contraction of the Condominium;

15.6. DEVELOPER'S RIGHTS — No amendment to this Declaration or any of the Condominium documents shall change the rights and privileges of the Developer without the Developer's written approval so long as the Developer holds any units for sale in the ordinary course of business;

15.7. WRITTEN AGREEMENTS — Any approval of unit owners on any matter called for by this Declaration, its Exhibits or any statute to be taken at a meeting of unit owners is hereby expressly allowed to be taken instead by written agreement, without a meeting (which agreement may be in counterparts), subject to F.S. 718.112(2)(d)(4) and F.S. 617.0701.

16. TERMINATION — The termination of the Condominium shall be carried out in accordance with the following:

16.1. BY AGREEMENT — The Condominium may be caused to be terminated at any time by written agreement of the owners of at least three-fourths (3/4ths) of the units, and of the holders of institutional first mortgages as provided for in Section 15.5. above.

16.2. WITHOUT AGREEMENT, ON ACCOUNT OF VERY SUBSTANTIAL DAMAGE — If the Condominium suffers “very substantial damage” to the extent defined in Section 11.2.3. above, and it is not decided as therein provided that the Condominium will be reconstructed or repaired, the condominium form of ownership of the property in this Condominium will be terminated.

16.3. PROCESS OF TERMINATION — Termination of the Condominium

occurs when a Certificate of Termination meeting the requirements of this Section is recorded in the Public Records of Collier County, Florida.

16.3.1. The termination of the Condominium by either of the foregoing methods shall be evidenced by a Certificate of Termination, executed by the President or Vice-President with the formalities of a deed, and certifying as to the facts effecting the termination. The Certificate shall also include the name and address of a Florida financial institution with trust powers, or a licensed Florida attorney, who is designated by the Association to act as Termination Trustee, and shall be signed by the Trustee indicating willingness to serve in that capacity.

16.3.2. The recording of that Certificate of Termination automatically divests the Association of title to all Association property, and divests all unit owners of legal title to their respective Condominium parcels, and vests legal title in the Termination Trustee named in the Certificate of Termination, to all real and personal property which was formerly the Condominium Property or Association property, without need for further conveyance. Beneficial title to the former Condominium and Association property shall be transferred to the former unit owners as tenants in common, in the same undivided shares as each owner previously owned in the common elements, without further conveyance. Each lien encumbering a Condominium parcel shall be automatically transferred to the equitable interest in the former Condominium Property and Association property attributable to the unit encumbered by the lien, with the same priority.

16.4. WIND-UP OF ASSOCIATION AFFAIRS — The termination of the Condominium does not, by itself, terminate the Association. The former unit owners and their successors and assigns shall continue to be members of the Association, and the members of the Board of Directors and the officers of the Association shall continue to have the powers granted in this Declaration, and in the Articles of Incorporation and By-laws, to the extent necessary to, and for

the sole purpose of, winding up the affairs of the Association in accordance with this Section.

16.5. TRUSTEE'S POWERS AND DUTIES — The Termination Trustee shall hold legal title to the property for the benefit of the former unit owners and their successors, assigns, heirs, devisees, mortgagees and other lien holders, as their interests shall appear. If the former unit owners approve a sale of the property as provided in this Section, the Termination Trustee shall have the power and authority to convey title to the purchaser, and to distribute the proceeds in accordance with the provisions of this Section. The Termination Trustee may charge a reasonable fee for acting in such capacity, and such fee as well as all costs and expenses incurred by the Termination Trustee in the performance of its duties, shall be paid by the Association or taken from the proceeds of the sale of the former Condominium and Association property, and shall constitute a lien on the property superior to any other lien. The Trustee shall be entitled to indemnification by the Association from any and all liabilities and costs incurred by virtue of acting as Termination Trustee unless such liabilities are the result of gross negligence or malfeasance. The Termination Trustee may rely upon the written instructions and information provided to it by the officers, Directors and agents of the Association, and shall not be required to inquire beyond such information and instructions.

16.6. PARTITION; SALE — Following termination, the former Condominium Property and Association property may be partitioned and sold upon the application of any unit owner. If following a termination, at least seventy-five percent (75%) of the voting interests agree to accept an offer for the sale of the property, the Board of Directors shall notify the Termination Trustee, and the Trustee shall complete the transaction. In that event, any action for partition of the property shall be held in abeyance pending the sale, and upon the consummation of the sale shall be discontinued by all parties thereto. If the unit owners have not authorized a sale of the former

Condominium and Association property within 1 year after the recording of the Certificate of Termination, the Trustee may proceed to sell the property without agreement by the Association or the former unit owners. The net proceeds of the sale of any of the property or assets of the Association shall be distributed by the Termination Trustee to the beneficial owners thereof, as their interests shall appear.

16.7. NEW CONDOMINIUM — The termination of the Condominium does not bar creation of another Condominium including all or any portion of the property.

16.8. PROVISIONS SURVIVE TERMINATION — The provisions of this Section 16 are covenants running with the land, and shall survive the termination of the Condominium until all matters covered by those provisions have been completed. The Board of Directors shall continue to function in accordance with the By-laws and Articles of Incorporation, and shall have the power to levy assessments to pay the costs and expenses of the Trustee and of maintaining the property until it is sold. The costs of termination, the fees and expenses of the Termination Trustee, as well as post-termination costs of maintaining the former Condominium Property, are common expenses, the payment of which shall be secured by a lien on the beneficial interest owned by each former unit owner, which to the maximum extent permitted by law, shall be superior to, and take priority over, all other liens.

17. PROVISIONS PERTAINING TO THE DEVELOPER — So long as the Developer holds any unit for sale in the ordinary course of business, none of the following actions may be taken without approval in writing by the Developer:

17.1. Assessment of the Developer as a unit owner for capital improvements.

17.2. Any action by the Association that would be detrimental to the sale of units or the completion of the project by the Developer including such use of unsold units and common

elements and Association property as may facilitate completion, sale, maintenance of a sales office, showing of the property and display of signs.

18. RIGHTS OF MORTGAGEES:

18.1. PARTIAL EXCUSAL FROM PRIOR ASSESSMENTS — A first mortgagee who acquires title to a unit by purchase at a foreclosure sale, or by deed in lieu of foreclosure is liable for the unpaid assessments that became due prior to the mortgagee's receipt of the deed, but in no event shall the mortgagee be liable for more than 6 months of the unit's unpaid common expenses or assessments accrued before the acquisition of the title to the unit by the mortgagee or 1 percent of the original mortgage debt, whichever amount is less. This provision shall not apply unless the first mortgagee joined the Association as a defendant in the foreclosure action. Such mortgagee may obtain title, own, occupy, lease, sell or otherwise dispose of such unit without the approval of the Association. This Section shall be deemed amended so as to remain in conformity with the provisions of F.S. 718.116 as it is amended from time to time.

18.2. RIGHTS TO INFORMATION — Upon receipt by the Association from any institutional mortgagee, Guarantor or Insurer of a copy of the mortgage held by such mortgagee, Guarantor or Insurer on a Unit, together with a written request from such mortgagee or an Insurer or Guarantor of such mortgagee specifying the address to which the following items are to be sent, the Association shall timely send to such mortgagee, Insurer or Guarantor the following, and for which the Association may charge a reasonable fee:

18.2.1. FINANCIAL STATEMENTS — A copy of a financial statement of the Association for the immediately preceding fiscal year; and

18.2.2. INSURANCE CANCELLATION — Written notice of the cancellation or termination by the Association of any policies of insurance covering the

Condominium or Association property or any improvements thereon, or any fidelity bonds of the Association except when the reason for the termination or cancellation of the insurance policy or bond is to change insurance companies or because the policy or bond is not needed or is not available; and

18.2.3. DAMAGE TO CONDOMINIUM — Written notice of any damage or destruction to the improvements located on the Common Elements or Association property which affects a material portion of the common elements or Association property or the unit securing its mortgage; and

18.2.4. EMINENT DOMAIN — Written notice of a condemnation or eminent domain proceeding affecting a material portion of the Condominium Property or the unit securing its mortgage; and

18.2.5. DELINQUENT ASSESSMENTS — Written notice of failure by the Owner of a Unit encumbered by a first mortgage held by such institutional mortgagee, Guarantor or Insurer to pay any Assessments when such failure or delinquency has continued for a period of sixty (60) days or longer.

18.2.6. FAILURE TO NOTIFY — The failure of the Association to send any such notice to any such mortgagee, Guarantor or Insurer shall have no effect on any meeting, action or thing which was to have been the subject of such notice nor affect the validity thereof and shall not be the basis for liability on the part of the Association.

19. ENFORCEMENT OF ASSESSMENT LIENS — Liens for assessments may be foreclosed by suit brought in the name of the Association in the same manner as a foreclosure of a mortgage on real property and the Association may also bring an action to recover a money judgment. After a judgment of foreclosure has been entered the unit owner during his occupancy,

if so ordered by the Court, shall be required to pay a reasonable rental. If the unit is rented or leased during the pendency of a foreclosure action, the Association shall be entitled to the appointment of a receiver to collect the rent. The Association shall have all the powers provided in F.S. 718.116 and shall be entitled to collect interest at the highest lawful rate (currently 18% per annum) on unpaid assessments and reasonable attorneys' fees, including appeals, and costs incident to the collection of such assessment or enforcement of such lien, with or without suit.

19.1. CREATION AND ENFORCEMENT OF CHARGES — The Association shall have a cause of action against unit owners to secure payment to the Association by unit owners of all charges, costs and expenses to the Association which cannot be secured as assessments, regular or special, under F. S. 718.116. The charge shall bear interest at the highest lawful rate, and shall carry with it costs and attorney's fees, including appeals, incurred in collection.

20. ASSOCIATION AGREEMENTS — The Association is authorized to enter into agreements to acquire leaseholds, memberships, and other possessory or use interest in lands or facilities such as country clubs, golf courses, marinas, and other facilities. Such interests need not be contiguous to the lands of the Condominium if they are intended to provide enjoyment, recreation, or other use or benefit to the unit owners.

21. COMMON EXPENSES AND COMMON SURPLUS — Each unit's share shall be 1/34th part of the whole.

22. CONDEMNATION:

22.1. DEPOSIT OF AWARDS WITH ASSOCIATION — The taking of all or any part of the Condominium Property by condemnation or eminent domain shall be deemed to be a casualty to the portion taken and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty. Even though the awards may be payable to unit owners, the

unit owners shall deposit the awards with the Association; and if any fail to do so, a special charge shall be made against a defaulting unit owner in the amount of his award, or the amount of that award shall be set off against any sums payable to that owner.

22.2. DETERMINATION WHETHER TO CONTINUE CONDOMINIUM –

Whether the Condominium will be continued after condemnation will be determined in the manner provided in Section 11 above for determining whether damaged property will be reconstructed and repaired after a casualty.

22.3. DISBURSEMENT OF FUNDS — If the Condominium is terminated after condemnation, the proceeds of all awards and special assessments will be deemed to be Condominium property and shall be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the owners of condemned units, if any, will be paid the fair market value of their unit as provided in 22.6.1 below, and any property damaged by the taking will be made usable in the manner provided below. Proceeds of awards and special charges shall be used for these purposes and shall be disbursed in the manner provided for disbursements of funds after a casualty.

22.4. ASSOCIATION AS AGENT — The Association is hereby irrevocably appointed as each unit owner's attorney-in-fact for purposes of negotiating or litigating with the condemning authority for the purpose of realizing just compensation for the taking.

22.5. UNITS REDUCED BUT TENANTABLE — If the taking reduces the size of a unit and the remaining portion of the unit can be made tenantable, the awards for the taking of a portion of that unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

22.5.1. RESTORATION OF UNIT — The unit shall be made tenable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be paid by the owner of the unit;

22.5.2. DISTRIBUTION OF SURPLUS — The balance of the award, if any, shall be distributed to the owner of the unit and to each mortgagee of the unit, the remittance being made payable jointly to the owner and mortgagees.

22.6. UNIT MADE UNTENABLE — If the taking is of any entire unit or so reduces the size of a unit that it cannot be made tenable, the award for the taking of the unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

22.6.1. PAYMENT OF AWARD — The fair market value of the unit immediately prior to the taking, as determined by agreement between the unit owner and the Association or by arbitration in accordance with Section 22.6.4. following, shall be paid to the owner of the unit and to each mortgagee of the unit, the remittance being made payable jointly to the owner and the mortgagee(s);

22.6.2. ADDITION TO COMMON ELEMENTS — If possible and practical, the remaining portion of the unit shall become a part of the common elements and shall be placed in condition for use by all unit owners in the manner approved by the Board of Directors;

22.6.3. ADJUSTMENT OF SHARES IN COMMON ELEMENTS — The shares in the common elements appurtenant to the units that continue as part of the Condominium shall be adjusted to distribute the ownership of the common elements in equal fractions among the reduced number of unit owners.

22.6.4. ARBITRATION — If the fair market value of a unit prior to the

taking cannot be determined by agreement between the unit owner and the Association within thirty (30) days after notice by either party, the value shall be determined by appraisal in accordance with the following. The unit owner, the first mortgagee, if any, and the Association shall each appoint one M.A.I. appraiser, who shall appraise the unit and shall determine the fair market value by computing the arithmetic average of their appraisals of the unit. A judgment of specific performance upon the value arrived at by the appraisers may be entered in any court of competent jurisdiction. The cost of appraisals shall be paid by the party selecting the appraiser.

22.7. TAKING OF COMMON ELEMENTS — Awards for the taking of common elements shall be used to make the remaining portion of the common elements useable in the manner approved by the Board of Directors. The balance of such awards, if any, shall be distributed to the unit owners in the shares in which they own the common elements after adjustment of these shares on account of the condemnation. If a unit is mortgaged, the remittance shall be paid jointly to the owner and mortgagee(s) of the unit.

22.8. AMENDMENT OF DECLARATION — Changes in the units, in the common elements and in the ownership of the common elements that are necessitated by condemnation, shall be evidenced by an amendment of the Declaration of Condominium as ordered by a court or approved by a majority of unit owners (voting interests) of this Condominium, without the consent of any mortgagee being required for any such amendment.

23. VOTING — Each unit shall have one full indivisible vote in all matters.

24. FUTURE DEVELOPMENT EASEMENTS — Developer, for itself and its successors and assigns, reserves easements over the Condominium Property as necessary to complete future development, if any, including construction access and utilities.

25. COMMUNITY ASSOCIATION MEMBERSHIP AND OBLIGATIONS —

Leeward Bay is located within the Tarpon Bay Community which is administered by the Tarpon Bay Community Association, Inc. according to a recorded Declaration of Covenants and Restrictions and which operates the Common Areas and Facilities. Each Leeward Bay owner is automatically a member of the Community Association and must pay assessments.

26. SEVERABILITY AND NON-WAIVER — If any provision of this Declaration or its exhibits as now constituted or as later amended or any section, sentence, clause, phrase or word, or the application thereof in any circumstances is held invalid, the validity of the remainder and of the application of any such provision, section, sentence, clause, phrase or word in other circumstances shall not be affected thereby. The failure of the Association or the Developer in any instance, to enforce any covenant or provision of this Declaration or any of the Condominium documents shall not constitute a waiver of its right to do so thereafter in other instances.

27. DEVELOPER'S GUARANTEE. Developer guarantees that the assessment for common expenses shall not exceed \$393.00 per unit per month (or \$1,179.00 per unit per quarter) beginning from the time of recordation of the Declaration and continuing until December 31, 2003. Commencing January 1, 2004, and continuing until December 31, 2004, Developer guarantees that the assessment for common expenses shall not exceed \$452.00 per unit per month (or \$1,356.00 per unit per quarter). Commencing January 1, 2005, Developer, in its discretion, shall have the option of extending the guarantee for one-month periods of time; provided, however, that notwithstanding any provision to the contrary, the guarantee shall automatically terminate on the date of the meeting of unit owners at which transfer of control of the Association to unit owners other than Developer occurs. During the guarantee period, Developer shall be excused from the payment of its pro-rata share of the assessments for all units it owns; however, Developer shall pay any amount of common expenses incurred which exceeds

assessments collected from unit owners other than Developer while the guaranty period is in effect.

OF

LEEWARD BAY AT TARPON BAY CONDOMINIUM ASSOCIATION, INC.

1. IDENTITY — These are the By-Laws of **Leeward Bay at Tarpon Bay Condominium Association, Inc.**, a nonprofit Florida corporation formed for the purpose of administering **Leeward Bay at Tarpon Bay**, A Condominium which will be located at Naples, Collier County, Florida, upon the land described in the Declaration of Condominium. (The corporation shall hereafter be referred to as the "Association.")

1.1. OFFICE — The office of the Association shall be at the Condominium or such other location within Collier County, Florida as may from time to time be determined by the Board of Directors.

1.2. FISCAL YEAR — The fiscal year of the Association shall be the calendar year, unless otherwise determined by the Board of Directors.

1.3. SEAL — The seal of the Association shall be circular in shape, bear the abbreviated name of the Association, the word "Florida," and the year of establishment, 2003.

2. MEMBERS' MEETINGS

2.1. ANNUAL MEETINGS — Annual members' meetings shall be held at the Condominium or at such other convenient location as may be determined by the Board of Directors, no later than the month of April each year, in conjunction with the election of Directors and for transacting any business authorized to be transacted by the members.

2.2. SPECIAL MEETINGS — Special member's meetings shall be held

whenever called by the President, Vice President or by a majority of the Board of Directors and when requested by written petition signed and dated from at least 25% of the total voting interests. Such petition shall state the purpose(s) of the meeting. The business at a special meeting requested by petition shall be limited to the items specified in the petition and contained in the notice of the meeting. In the event that the Board of Directors adopts a budget requiring assessments exceeding 115% of the assessments for the preceding year, the Board upon written application of 10% of the voting interests shall call a special meeting of the unit owners to consider and enact an alternate budget. The determination as to whether the assessments exceed 115% shall be made in accordance with F.S. 718.112 (2)(e). Members meetings to recall a member or members of the Board of Directors may be called by 10% of the Association voting interests.

2.3. NOTICE OF MEMBERS' MEETINGS — Notice of members meetings including a recall meeting and the annual meeting, which must include an identification of agenda items, shall be delivered or mailed to each unit owner by United States mail, unless waived in writing, at least 14 days prior to the meeting, provided however, that any election at which one or more Directors are to be elected must be noticed as provided for in Section 2.4. next following. An officer of the Association shall execute an affidavit of mailing or delivery per F. S. 718.112(2)(d)(2) or provide a United States Postal Certificate of Mailing which shall be retained in the official records of the Association as proof of such mailing or delivery. Written notice of the meeting shall also be posted in a conspicuous place on the Condominium property at least 14 continuous days prior to the annual meeting. The Board, upon notice to unit owners shall by duly adopted rule designate a specific location on the Condominium property upon which all notices of unit owner meetings shall be posted.

2.4. BOARD ELECTION MEETINGS — NOTICE AND PROCEDURE —

The regular or general election shall occur at the time and place at which the annual meeting is scheduled to occur, regardless of whether a quorum is present.

2.4.1. Not less than 60 days before a scheduled election, the Association shall mail or deliver, whether by separate Association mailing or included in another Association mailing or delivery, including regularly published newsletters, to each unit owner entitled to vote, the first notice of the date of the election. It must contain the name and correct mailing address of the Association. Any unit owner or other eligible person desiring to be a candidate for the board of administration must give written notice to the Association not less than 40 days before a scheduled election. The Association shall then mail or deliver a second notice of the election to all unit owners entitled to vote therein not less than 14 days before the scheduled election, together with a written ballot which shall list all candidates. Upon request of a candidate, the Association shall include an information sheet which must be furnished by the candidate not less than 35 days before the election, on one side of a sheet, no larger than 8 1/2 inches by 11 inches, with the costs of copying and mailing to be borne by the Association. The Association shall not edit, alter, or otherwise modify the content of the information sheet and shall have no liability for its contents.

2.4.2. A voting machine may also be used by those attending the meeting in person, and a unit owner who needs assistance in voting due to blindness, disability or inability to read or write may obtain assistance from a member of the Board of Directors or other unit owner but no unit owner shall permit another person to cast his ballot and any such ballots improperly cast shall be deemed invalid.

2.4.3. There is no quorum requirement; however at least 20 percent of the eligible voting interests must cast a valid ballot to have a valid election and elections shall be decided by a plurality of those votes cast.

2.4.4. An election and balloting are not required unless more candidates file notices of intent to run or are nominated than vacancies exist on the Board.

2.4.5. Notwithstanding anything in this paragraph 2., the Association may, by the affirmative vote of a majority of the total voting interests, provide for different voting and election procedures in these By-laws which vote may be by a proxy specifically delineating the different voting and election procedures. The different voting and election procedures may provide for elections to be conducted by limited or general proxy.

2.5. NOTICE — OWNERS BUDGET MEETING — Notice of a special meeting called by the Board at the written request of 10% of the owners because of a budget exceeding 115% of that of the preceding year requires not less than 10 days' written notice to each unit owner.

2.6. NOTICES SPECIFIC — All notices of meetings shall state clearly and particularly the time, place, and purpose or purposes of the meeting and shall incorporate an identification of agenda items.

2.7. QUORUM — A quorum at members' meetings shall consist of persons entitled to cast a majority of the voting interests of the entire membership. Decisions made by a majority of the voting interests represented at a meeting at which a quorum is present in person or by proxy shall be binding and sufficient for all purposes except such decisions as may by F.S. 718 or the documents require a larger percentage in which case the percentage required in F.S. 718 or the Documents shall govern.

2.8. OWNER PARTICIPATION — Unit owners shall have the right to participate in meetings of unit owners with reference to all designated agenda items. However, the Association may adopt reasonable rules governing the frequency, duration and manner of unit

owner participation. Such rules must be adopted in advance and in written form. Any unit owner may tape record or videotape a meeting of the unit owners subject and pursuant to Rules adopted from time to time by the Division of Florida Land Sales, Condominiums and Mobile Homes.

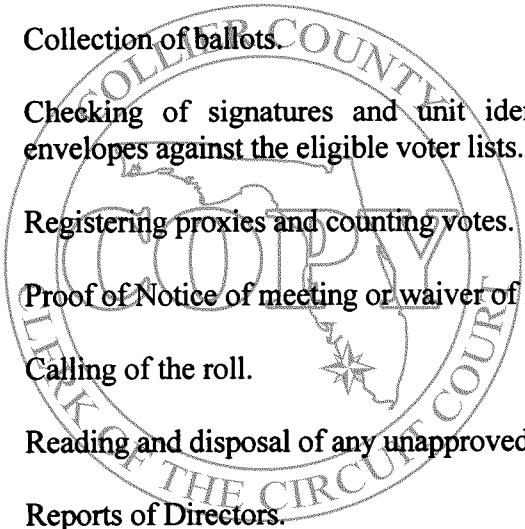

2.9. OWNER VOTING — INDIVISIBLE VOTE — Each unit shall have one indivisible vote. All officers of a corporation, trust, partnership or other such owner shall be eligible to cast the vote for such a unit. If multiple owners of a unit cannot agree on a vote, the vote shall not be counted. Voting certificates are not authorized.

2.10. PROXIES — Votes may be cast in person or by proxy. Proxies shall be in writing, signed and dated and shall be valid only for the particular meeting designated therein or an adjournment thereof, but in no event for more than 90 days, and must be filed with the Secretary before or at the voter registration immediately preceding the meeting. A photographic, photostatic or equivalent reproduction of a proxy is a sufficient proxy pursuant to F.S. 607.0722(2). Except as specifically otherwise provided in this paragraph, or by the Condominium Act from time to time, unit owners may not vote by general proxy, but may vote by limited proxies substantially conforming to the limited proxy form adopted by the Division of Florida Land Sales, Condominiums and Mobile Homes. Both limited proxies and general proxies may be used to establish a quorum. Limited proxies shall be used for votes taken to waive or reduce reserves; for votes taken to waive financial statement requirements; for votes taken to amend the Declaration; for votes taken to amend the Articles of Incorporation or By-Laws; and for any other matter which F.S. 718 requires or permits a vote of the unit owners. No proxy, limited or general, shall be used in the election of Board members unless an alternate election procedure is adopted pursuant to Section 2.4.5. above. General proxies may be used for other matters for which limited proxies are not required, and may also be used in voting for non-substantive changes to items for which a limited

proxy is required and given.

2.11. NO QUORUM — If any meeting of members cannot be organized because a quorum is not present, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.

2.12. ORDER OF BUSINESS — The order of business at annual members' meetings and, as far as applicable at all other members' meetings, may be:

- 
- (a) Election of a Chairman of the meeting, unless the President or Vice President of the Association is present, in which case he (or she) shall preside.

- (h) Reports of Directors.
- (i) Reports of Committees.
- (j) Announcement of the results of the election of Directors.
- (k) Unfinished business.
- (l) New business.
- (m) Adjournment.

3. BOARD OF DIRECTORS

3.1. NUMBER, TERM, AND QUALIFICATIONS. The affairs of the

Corporation shall be governed initially by a Board composed of three persons appointed by the Developer, which may at the Developer's option be expanded to five. The Board, after turnover of control by the Developer, shall consist of three, five or seven Directors as may be determined from time to time by the voting interests of the Association, and in the absence of such a determination shall consist of five Directors. All non-Developer Directors shall be members or spouses of members. All officers of a corporation, trust, partnership or other such owner shall be deemed to be members so as to be eligible for Board membership. A person who has been convicted of any felony by any Court of Record in the United States and who has not had his or her right to vote restored pursuant to law in the jurisdiction of his or her residence is not eligible for the Board. The validity of an action by the Board is not affected if it is later determined that a member of the Board is ineligible for Board membership due to having been convicted of a felony. Directors shall be elected by the Voting Interests as to regular or general elections at the time and place at which the annual meeting is scheduled to occur regardless of whether a quorum is present, except for Developer-appointed Directors. At and after turnover, members of the Board shall be elected for staggered two years terms. At the election held in conjunction with turnover, a majority shall be elected for two (2) years and the balance elected for one (1) year to provide continuity. Those persons receiving the highest number of votes shall serve the two year terms. In the event of a tie, for a designated position on the Board the tie shall be resolved by agreement of the candidates, if possible; otherwise the winning Director shall be chosen in a blind drawing.

3.2. TERM OF SERVICE — The term of each Director's service, except in the case of a vacancy caused by recall, shall extend until their elected term is completed and thereafter until their successor is duly elected and qualified or until the Director is recalled in the manner provided in the Condominium Act by a majority of the voting interests. A Board member appointed

by the Board to replace a recalled Board member shall fill the vacancy until the next regularly scheduled election for any position. Provided that a seat held by a Director who ceases to be an owner shall thereby automatically become vacant.

3.3. BOARD VACANCIES — Vacancies in the Board of Directors occurring between annual meetings of members shall be filled by appointment by a majority vote of the remaining Directors; provided, however, that if a majority or more of the Board members are removed by recall the vacancies shall be filled in accordance with Rule 61B-23.0027 (if at a meeting) or with Rule 61B-23.0028 (if by written agreement), Florida Administrative Code; provided further that a Director who has been recalled by the membership may not be appointed to fill the vacancy created by his removal; and further provided that following relinquishment of Developer control during the time that both the Developer and unit owners other than the Developer have representation on the Board, pursuant to F. S. 718.301(1)(e), the Developer Directors may not vote for a majority of the Board. A Director elected or appointed to fill a vacancy shall be elected or appointed for the remaining term of the seat being filled.

3.4. ORGANIZATIONAL MEETING — The organizational meeting of each newly elected Board of Directors to elect officers shall be held at such place and time as shall be fixed by the Directors, provided a quorum shall be present. Unless otherwise noticed, it shall be held immediately following the annual meeting. Election of officers may be by secret ballot.

3.5. REGULAR MEETINGS — Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors. Notice of regular meetings, unless noticed previously, shall be given to each Director personally or by mail, telephone or telecopier at least three days prior to the day named for such meeting.

3.6. SPECIAL MEETINGS — Special meetings of the Directors may be called by the President and must be called by the Secretary at the written request of any two (2) Directors. Not less than three day's notice of the meeting (except in an emergency) shall be given personally or by mail, telephone or telecopier, which notice shall state the time, place and purpose of the meeting.

3.7. WAIVER OF NOTICE — Any Director may waive notice of a meeting before, at or after the meeting and such waiver shall be deemed equivalent to the giving of notice. Attendance by a Director at a meeting shall constitute waiver of notice of the meeting.

3.8. NOTICE TO OWNERS — Notices of Directors meetings, and meetings of committees to make recommendations regarding the Association budget or which have the authority to take action on behalf of the Board shall be posted conspicuously on the Condominium property at least 48 continuous hours in advance for the attention of unit owners, except in an emergency. Notices shall specifically incorporate an identification of agenda items. All other committee meetings are exempt from this section. Meetings at which a regular assessment is to be considered shall contain a statement that assessments will be considered and the nature of such assessments. However, written notice of any meeting at which non-emergency special assessments, or at which amendment to rules regarding unit use will be proposed, discussed, or approved, shall be mailed or delivered to the unit owners and posted conspicuously on the Condominium property not less than 14 continuous days prior to the meeting. Evidence of compliance with this 14-day notice shall be by an affidavit executed by the Secretary and filed among the official records of the Association. Upon prior notice to the unit owners, the Board shall by duly adopted rule designate a specific location on the Condominium property upon which all notices of Board meetings shall be posted.

3.9. OWNER PARTICIPATION — Meetings of the Board of Directors and any committee thereof required to give notice pursuant to 3.8 above, at which a quorum of the

members of that committee are present shall be open to all unit owners except that unit owners shall not be privileged to attend meetings between the Board or a committee and the Association's attorney with respect to proposed or pending litigation when the meeting is held for the purpose of seeking or rendering legal advice. The right to attend such meetings includes the right to speak with reference to all identified agenda items provided however, the Association may adopt reasonable rules governing the frequency, duration and manner of unit owner participation. Such rules must be adopted in advance and in written form. Unit owners shall have the right to tape record or videotape the meetings of the Board of Administration or Committee subject and pursuant to Rules adopted from time to time by the Division of Florida Land Sales, Condominiums and Mobile Homes.

3.10. BOARD MEETINGS, QUORUM AND VOTING — A quorum at Directors' Meetings shall consist of a majority of the Directors. The acts approved by a majority of Directors present at a meeting at which a quorum is present shall constitute the acts of the Board. Directors may not vote by proxy or by secret ballot at Board meetings, except as may be provided by the Condominium Act from time to time, and a vote or abstention for each member present shall be recorded in the minutes. If at any meeting of the Board there be less than a quorum present, the Director(s) present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting, which must be properly noticed, any business which might have been transacted at the meeting as originally called may be transacted. Absent Directors may later sign written concurrence in Board actions, but such joinders may not be used as a vote for or against the action taken or for purposes of creating a quorum.

3.11. PRESIDING OFFICER — The presiding officer at Directors' meetings shall be the President if such an officer has been elected; and if none, then the Vice President shall preside. In the absence of the presiding officer, the Directors present shall designate one of their

number to preside.

3.12. DIRECTOR COMPENSATION — Directors shall serve without pay unless the voting interests annually authorize Director's fees, but shall be entitled to reimbursement for expenses reasonably incurred.

4. POWERS AND DUTIES OF THE BOARD OF DIRECTORS — All of the powers and duties of the Association existing under the Florida Not-For-Profit Corporation Statute, the Condominium Act, the Declaration of Condominium, the Corporate Charter and these By-laws shall be exercised exclusively by the Board of Directors, or its duly authorized agents, contractors, or employees subject only to the approval by unit owners when such is specifically required. Such powers and duties of the Directors shall include, but shall not be limited to, the following:

4.1. TO ADOPT BUDGETS, BORROW MONEY AND MAKE AND COLLECT ASSESSMENTS AND FEES from and against owners and users to defray the expenses of the Association.

4.2. TO USE THE PROCEEDS OF ASSESSMENTS in the exercise of its powers and duties.

4.3. THE MAINTENANCE, REPAIR, REPLACEMENT AND OPERATION of the Condominium property.

4.4. TO ENACT RULES AND REGULATIONS concerning the use of the common elements and the units subject to any limitations contained in the Condominium Act and the Declaration of Condominium.

4.5. TO RECONSTRUCT COMMON ELEMENT IMPROVEMENTS AFTER CASUALTY and the further improvement of the properties.

4.6. TO APPROVE OR DISAPPROVE PROPOSED ACTIONS in the

manner provided by the Condominium Declaration.

4.7. TO ENFORCE by legal means the provisions of applicable laws and the Condominium documents.

4.8. TO CONTRACT FOR MANAGEMENT of the Condominium.

4.9. TO CARRY INSURANCE for the protection of the unit owners, users and the Association.

4.10. TO PAY THE COST OF ALL UTILITY SERVICES rendered to the Condominium and not billed to owners of individual units or users.

4.11. TO EMPLOY PERSONNEL and designate other officers for reasonable compensation and grant them such duties as seem appropriate for proper administration of the purposes of the Association.

4.12. TO BRING AND DEFEND SUITS, MAKE AND EXECUTE CONTRACTS, DEEDS, MORTGAGES, LEASES, LICENSES and other instruments by its officers and to purchase, own, lease, convey and encumber real and personal property. To grant easements and licenses over the Condominium property necessary or desirable for proper operation of the Condominium.

4.13. TO COMPLY WITH REQUIREMENTS FOR ENTERING CONTRACTS FOR PRODUCTS AND SERVICES — All contracts for the purchase, lease or renting of materials or equipment or for services, or which are not to be fully performed within one year, shall be in writing. As to any such contract which requires payment exceeding 5 percent of the total annual budget of the Association including reserves except for contracts with employees of the Association, and for attorneys, accountants, community association managers, architects, engineers and landscape architects, the Association shall obtain competitive bids unless the products

and services are needed as the result of an emergency or unless the desired supplier is the only source of supply within Collier County. The Association need not accept the lowest bid. This Paragraph shall be deemed to incorporate the provisions of the Condominium Act as it exists from time to time.

4.14. TO LEVY FINES — The Directors may, pursuant to F.S. 718.303, impose fines not to exceed \$100.00 per violation, for failure to comply with the provisions of the Condominium documents, including the rules and regulations, by owners, occupants, licensees, tenants and invitees. A fine may be imposed for each day of continuing violation with a single notice and opportunity for hearing, provided that no fine shall in the aggregate exceed \$1,000.00.

4.14.1. HEARING NOTICE — The party against whom the fine is sought to be levied shall be afforded an opportunity for hearing after reasonable notice of not less than fourteen (14) days and said notice shall include:

1. A statement of the date, time and place of the hearing;
2. A statement of the provisions of the Declaration, Articles of Incorporation, By-laws, or Rules and Regulations which have allegedly been violated; and
3. A short and plain statement of the matters asserted by the association.

4.14.2. RESPONDENT'S RIGHTS — The party against whom the fine or sanction may be levied shall have an opportunity to respond, to present evidence, and to provide written and oral argument on all issues involved and shall have an opportunity at the hearing to review, challenge, and respond to any material considered by the association.

4.14.3. HEARING COMMITTEE — The hearing must be held before a committee of other unit owners, none of whom are members or spouses of the Board of Directors. If the committee does not agree with the fine, the fine may not be levied.

4.15. TO APPOINT COMMITTEES — The Directors may appoint committees except that committees for the purpose of nominating candidates for election to the Board of Directors are prohibited. The Board may, however, appoint a search committee to encourage qualified persons to become candidates for the Board. All committees and committee members shall serve at the pleasure of the Board.

4.16. TO MAINTAIN FIRE SAFETY COMPLIANCE — The Directors may accept a Certificate of Compliance from a licensed electrical contractor or electrician as evidence of compliance of the Condominium units with the applicable Fire and Life Safety Code.

4.17. TO ADOPT SPECIFICATIONS FOR HURRICANE SHUTTERS — The Board of Directors shall adopt hurricane shutter specifications for the buildings which shall include color, style, and other factors deemed relevant by the Board. All specifications adopted by the Board shall comply with the applicable building code. The Board shall not refuse to approve the installation or replacement of hurricane shutters conforming to the specifications adopted by the Board. Where laminated glass or window film architecturally designed to function as hurricane protection which complies with the applicable building code has been installed, hurricane shutters shall not be installed.

4.18. EMERGENCY POWERS — In the event of any "emergency" as defined in Paragraph 4.18.7. below, the Board of Directors may exercise the emergency powers described in this section, and any other emergency powers authorized by F.S. 617.0207, as amended from time to time.

4.18.1 To accommodate the incapacity of any officer of the association, the Board, in advance, may name as assistant officers persons who are not directors, which assistant

officers shall have the same authority as the executive officers to whom they are assistant during the period of the emergency.

4.18.2. The Board may relocate the principal office or designate alternative principal offices or authorize the officers to do so.

4.18.3. During any emergency the Board may hold meetings with notice given only to those directors with whom it is practicable to communicate, and the notice may be given in any practicable manner, including publication or radio. The director or directors in attendance at such a meeting shall constitute a quorum.

4.18.4. Corporate action taken in good faith during an emergency under this section to further the ordinary affairs of the association shall bind the association and shall have the rebuttable presumption of being reasonable and necessary.

4.18.5. Any officer, director, agent, employee, or member of the association acting with a reasonable belief that his or her actions are lawful in accordance with these emergency bylaws shall incur no liability for doing so except in the case of willful misconduct.

4.18.6. These emergency bylaws supersede any inconsistent or contrary provisions of the bylaws during the period of the emergency.

4.18.7. For purposes of this section, an "emergency" exists during any period of time that the condominium, or the immediate geographic area in which the condominium is located, is subjected to:

- (a) a state of emergency declared by local civil or law enforcement authorities;
- (b) a hurricane warning;
- (c) a partial or complete evacuation order;

(d) federal or state "disaster area" status; or

(e) a catastrophic occurrence, whether natural or manmade,

that seriously damages or threatens to seriously damage the physical existence of the condominium, such as an earthquake, a tidal wave, a fire, a hurricane, a tornado, a war, civil unrest, or acts of terrorism.

4.19. TO CONVEY TO CONDEMNING AUTHORITIES — To convey a portion of the common elements to a condemning authority for the purpose of providing utility easements, right of way expansion, or other public purposes, whether negotiated or as the result of eminent domain proceedings.

5. OFFICERS

5.1. EXECUTIVE OFFICERS — After turnover, the executive officers of the Association shall be the President, one or more Vice Presidents, a Secretary, a Treasurer, and such assistant officers as may be desired, all of whom shall be elected annually by and from the Board of Directors and who may be peremptorily removed by a majority vote of the Directors at any meeting. Any person may hold two or more offices except that the President shall not also be the Secretary.

5.2. PRESIDENT — POWERS AND DUTIES — The President shall be the chief executive officer of the Association and shall have all of the powers and duties which are usually vested in the office of President of a corporation.

5.3. VICE PRESIDENT — POWERS AND DUTIES — The Vice President shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. The Vice President shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Directors.

5.4. SECRETARY — POWERS AND DUTIES — The Secretary shall keep the minutes of all proceedings of the Directors and the members; shall attend to the giving and serving of all notices to the members and Directors and other notices required by law; shall have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed; shall keep and have custody of the records of the Association, except those of the Treasurer; and shall perform all other duties incident to the office of Secretary of the Association and as may be required by the Directors or the President.

5.5.
